

Paper submitted to Elsevier Computer & Security Journal.

Dear Computer & Security Journal Editor,

Find attached the paper entitled “Greatest Eigenvalue Time Vector Approach for Blind Detection of Denial of Service attacks and Port Scanning” for review, considering its possible publication in the Elsevier Computer & Security Journal.

The paper presents a novel content, which is unpublished and has not been submitted for publication anywhere else. In addition, it will not be submitted to any other journal until a decision has been made by Computer & Security Journal.

Best regards,

Danilo Fernandes Tenório
